Dear Dan:

I am sorry that October 29th is out for you - we, of course, have seen notices on what you will be doing that day. I am afraid that we will have to go ahead with that date, as the best solution for the moment. Now that we know that your Saturdays are so bereft, perhaps we ought to try to drag you down here privately. What about November 19th and especially if Gertrude could join us for dinner at that time?

Cordially,

MAZIA, D,
